The "Ready to Serve" Charge is a fixed, recurring fee designed to cover the costs of maintaining the water and wastewater treatment systems and infrastructure, regardless of your water or sewer usage (gallons).

Water consumption is \$3.75 per month per 1,000 gallons of usage; Sewer is \$4.25 per month per 1,000 gallons of usage. Usage appears on bills rounded to the nearest thousand gallons. 1,000 gallons appear as a usage of 1 unit on your bill.
